

# Solutions for berries.

Staging graphics depicted here are for quick reference only. Refer to individual product pages and product labels for detailed staging information.

Lighter green areas reflect recommended application timing for Cabrio® and Pristine® fungicides.

Darker green areas reflect recommended application timing for Cantus® fungicide.

<sup>1</sup> Do not exceed the total number of sequential applications or total number of applications per season as stated in the crop section of the label.

<sup>2</sup> Do not make more than two (2) sequential applications before alternating to a labeled fungicide with a different mode of action.

<sup>3</sup> Do not apply more than two (2) sequential applications before alternating to a fungicide with a different mode of action other than Group 7 and Group 11.
