

NODULATOR® XL Peat

Peat pea and lentil inoculant

Rhizobium leguminosarum biovar *viceae*

Registration Number 2011041A Fertilizers Act

To inoculate 600 kg (22 bushels) of seed.

Net contents:

1.2 kg (42 oz.)

DIRECTIONS FOR USE

Recommended application rate: 1.2 kg (42 oz.) per 600 kg (1320 lbs.) seed.

After opening pack, work gently between fingers to disperse contents. The addition of water at the time of application will optimize the activity of the integral sticker, resulting in an even seed coverage with the inoculant.

- 1. SLURRY APPLICATION:** Add complete pack contents to approximately 2 L (68 fl. oz.) of clean, dechlorinated water and stir well in a clean container to form a lump-free slurry. Not allowing slurry to settle out, pour onto the seed and mix thoroughly to ensure the seeds are evenly coated. Allow seed to dry before further handling.
- 2. DAMP INOCULATION:** Apply just enough water to slightly dampen seed (2 mL/kg - 1.5 fl. oz./50 lbs.). Mix the damp seed thoroughly with the inoculant so that they are evenly coated.
- 3. DRY INOCULATION:** Pour the correct amount of inoculant onto thin layers of seed in the drill hopper and mix thoroughly to evenly coat seed. For bulk seed handling systems, the inoculant can be metered directly onto augured seed.

SEED TREATMENT COMPATIBILITY

This inoculant is compatible with most seed treatments when dry. This inoculant can also be applied to specific treated seed when wet (contact your dealer/manufacturer for details). Please observe planting window recommendations for optimal responses.

STORAGE/PRECAUTIONS

- Store this product below 20°C (70°F) and away from direct sunlight.
- Keep inoculant and inoculated seed in a cool, dry place out of direct sunlight and sow as soon as possible.
- Do not use inoculant that has passed its expiration date or that has not been correctly stored.
- It is recommended to sow seeds within 4 to 6 hours of inoculation. If not sown within 24 hours, seed must be re-inoculated.
- If seed is of low moisture content, it is recommended to use either slurry or damp application methods.

GHS: The product does not require a hazard warning label in accordance with GHS criteria.

GUARANTEE

This product contains a minimum of 1×10^9 viable cells of *Rhizobium leguminosarum* biovar *viceae* STRAIN 1435 per gram.

Warranty disclaimer: BASF Canada Inc. ("BASF") warrants that this product conforms to the specifications set out on this label. BASF, its affiliates and the sellers of this product MAKE NO OTHER REPRESENTATIONS, WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, STATUTORY OR OTHERWISE, AS TO THE CONDITION, QUALITY, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OF THIS PRODUCT.

Limitation of Remedies. The exclusive remedy for losses or damages resulting from this product (including claims based on contract, negligence, strict liability or other legal theories), shall be limited to, at BASF's election, one of the following: (1) replacement of the amount of product used; or (2) refund of the purchase price paid for the product; PROVIDED THAT BASF's provision of (1) or (2) is conditioned on its first being promptly notified of such loss or damage in writing. BASF, its affiliates and the sellers of this product SHALL NOT BE LIABLE to the buyer or any other party claiming by, through, or under the buyer for any other losses or damages resulting or relating to this product, including but not limited to any DIRECT, INDIRECT, SPECIAL, PUNITIVE, ECONOMIC, INCIDENTAL, OR CONSEQUENTIAL DAMAGES or loss of profits, whether in contract, tort or otherwise.

BASF and its affiliates neither assume, nor authorize any person to assume for them, any other liability in connection with the sale, storage, use or handling of this product other than expressly set forth herein.

Acknowledgement. IN PURCHASING THIS PRODUCT, THE BUYERS AND ALL PARTIES CLAIMING BY, THROUGH OR UNDER THE BUYER, ACKNOWLEDGE AND AGREE TO THE TERMS AND CONDITIONS SET FORTH ON THIS LABEL AND FURTHER ACKNOWLEDGE THAT THEY FORM PART OF THE CONTRACT OF SALE BETWEEN (i) BASF, ITS AFFILIATES AND ANY OTHER SELLER OF THIS PRODUCT AND (ii) THE BUYER OF THIS PRODUCT.
