## BASF Canada: Business Representative Team

Richard Anderson, Business Representative, Southwestern Ontario

### Background

Richard Anderson is a BASF Business Representative covering Southwestern Ontario. He started with Cyanamid of Canada in 2002, and with the acquisition of Cyanamid of Canada by BASF, Richard maintained his role as a Business Representative.

Before starting at Cyanamid of Canada, Richard completed his Bachelor of Science degree in Agronomy at the University of Guelph.

Richard is a proud farmer and father. On his farm, Richard works with BASF products to provide added insight, seeing BASF solutions from a customer's point of view.
