BASF Canada Team

BASF Canada: Technical Development Team

Rob Miller, Technical Development Manager, Eastern Canada

Background

Rob Miller is a Field Biologist and Technical Development Manager with BASF Canada, based at the London Research Farm. He has worked in the research division at BASF for nine years, and prior to that was a Custom Applicator in the Guelph area. Rob completed his Bachelor of Science degree in Agronomy and his Master of Science degree at the University of Guelph, with a specialization in Weed Science.

Rob currently lives in Guelph, ON and enjoys spending time outdoors, playing various sports, boating, and fishing.
