BASF Canada Team

BASF Canada: Crop Manager Team

Scott Hodgins, Crop Manager, Horticulture

Background

Scott Hodgins is the Horticulture Crop Manager at BASF, and has been with the company for 17 years. Prior to this position, he was a Business Representative for Southern Ontario, and was a Technical Service Specialist supporting BASF horticulture customers across the country.

During his time at BASF, Scott has been actively involved in the introduction of innovative products such as Headline, Lance, Integrity, Eragon, Cabrio Plus, Zampro and Nealta.

Scott completed his Bachelor of Science degree in Agronomy, and earned a Graduate Diploma in Agricultural Communications, Agronomy and Crop Science at the University of Guelph.

Scott lives near London, Ontario with his wife and two children. In his spare time, he is an avid cyclist, and enjoys organizing BASF's participation in the MS Bike Tour.
